TRAIL NETWORK UPDATE:
- **Paint Creek Trail**: Kristen Myers reported that the Paint Creek is changing their method of patrolling the trail. Their security patrol will be split with 1/2 of the duties being contracted with the Oakland County Sheriff's Department and the other half being done by their own patrol persons.
  On National Trails Day, they will be hosting a hiking event, with a ribbon cutting and a recognition ceremony. Information regarding the event will be e-mailed to Marge Gatliff.
- **Clinton River Trail**: reported that portions of the trail, resurfaced in the fall, are being re-compacted. The new bridge now has the railings and the project is proceeding as scheduled.
  Currently they are designing brochure boxes that will be used on the trail.
- **West Bloomfield Trail**: has received requests from Sylvan Lake for contractors interested in trail resurfacing. Contact John Martin or Fran Davis with names of interested contractors. (Kristen M will forward her list.)
- **Lakes Community Trail**: is working on the Nation Trails Day "Strut Your Mutt" event they are co-hosting with Oakland County Parks and Recreation.
- Dot Lalone reported that the **Headwaters Trail** has been working with Consumers Energy on right-of-ways available for trail use. A corridor extending south to the Highland, Milford, and White Lake area is very likely.
  A trail head is being developed using Waterworks Park. The Village will take over the building with Headwaters Trail entering into a 5-year lease.
  A lot of interest has been shown for the canoe event they are planning.
  A beautification planting at Waterworks Park is scheduled.
  The August fund raising horse ride event has not been able to secure insurance for the event. Other options are being explored.

GOALS AND OBJECTIVES
Marge Gatliff reviewed the revised goals and objectives and distributed a copy to members. All agreed on the priorities and goals set. Minor revisions will be made and the 2005 OTAC Goals and Objectives e-mailed to members.

Marge thanked Dot LaLone, Lois Golden, Larry Falardeau and Kristen Myers for serving on this committee.

It was moved by Dot LaLone, seconded by David Burley to accept the 2005 Goals and Objectives as amended. The motion passed on voice vote.
